- Group Pilates sessions (maximum of 3 people)
- Classes can be paid each session or in blocks of 10 to receive a discount.

What is Pilates

Pilates is a fitness regime that improves your body awareness, posture and breathing patterns, increases core stability for the spine and improves flexibility for the whole body. It also strengthens and tones, creating long lean muscles without placing pressure on the joints. Emphasis is on quality of movement not quantity, which leaves the body feeling relaxed and energised. The classes are performed on specialized equipment or mats and enhances cardio, sport or rehab exercises.

For the Pilates addict

- Pilates Instructor Training Certification Course (for both Mat work & equipment).
- Pilates 3-5 day retreats incorporating Pilates, personal training, massage, organic food and accommodation.
